

This is the information that the Ranger will go over with you when you come to get Your Lower St. Croix River Camp Pass Application

Visitors who plan to camp outside of the state parks in the stretch of river between U.S. Highway 8 (river mile 52.5) and Log House Landing (river mile 39.0) are required to have a camp pass. Check off the following points as park rangers review the regulations with you.

- Visitors must camp in designated campsites.
- Individual sites accommodate up to 8 people. Group sites accommodate 9 to 16 people. Larger groups need to split up or camp in one of the state park campgrounds.
- There is a 3-night limit of stay. There is a 30-night limit for the season.
- Campsites must be occupied on the first night of stay.
- Attach this camp pass to the tent so it is clearly visible. This camp pass must be displayed every time you camp in 2008.
- Alcohol is prohibited at Eagle's Nest Campground (river mile 48.5) located downriver from Franconia Landing.
- Quiet hours are from 10:00 p.m. to 6:00 a.m.
- Campfires are permitted only in steel fire rings or grills.
- The cutting of live vegetation is strictly prohibited. Dead and down wood may be collected from shoreline areas, however, it cannot be collected from islands.
- Possession of firewood that originates more than 50 miles from the Riverway is prohibited.
- Campfires must be out and cold before you leave the area.
- Campers are required to bring in their own portable camp toilets or use on-board facilities on self-contained boats.
- Glass containers are prohibited on land and waters within the Riverway.
- All trash must be carried out of the Riverway at the end of your stay.
